

July-September 2026

LECTORS Schedule

1. Enclosed is your schedule of Masses. The schedule is from **July-September 2026**. Mark your calendar for your assigned reading and Mass.
2. **A few reminders:**
 - A. Please remember that to be a Lector is a wonderful and blessed privilege. A Lector shares God's Holy and inspired Word with others, so please take this responsibility seriously and prepare yourself ahead of time. Pray over the readings and reflect on them the week before you are Lector. This will help you share this ministry in truth and love. Thank you very much!
 - B. **Liturgical law dictates that we have two lectors at each Mass; if you are unable to make the assigned time, please call or email another lector to fill in for you. You are responsible for finding a substitute. You have access to our Lector Contact list.**
 - C. **Remember to initial the schedule at the Welcome Center so the sacristans know you are present; if you don't sign in, they will assume you are not there and find someone to read in your place. Arrive at least 10 minutes before Mass as well or the sacristans will replace you.**
 - D. **Lector 1**: If there is no deacon, you will bring up the Gospels. Remember that Our Lady of Guadalupe faces you as you process toward the altar. Place the Gospels upright on the altar and make certain Our Lady of Guadalupe faces the Crucifix.
 - E. **Lector 2**: Please read the announcements. Preview them before reading. Ask for help with name pronunciations.

Thank you for volunteering for this ministry. If you have any questions, please call **or** text **Michelle Lind at 720-299-0568**.
